In re Application of

Application No. 10/728,331
Filed: December 4, 2003
Attorney Docket No. None

ON PETITION

This is a decision on the renewed petition under 37 CFR 1.137(b), filed June 21, 2005, to revive the above-identified application.

A review of the record discloses that the application became abandoned for failure to timely respond to a Notice to File Corrected Application Papers mailed March 9, 2004, requiring replacement drawings in compliance with 37 CFR 1.84 and 37 CFR 1.121. A Notice of Abandonment was mailed December 7, 2004. On February 3, 2005, a petition was filed including, *inter alia*, the replacement drawings. However, the petition was dismissed in a decision mailed May 26, 2005 since it was not signed pursuant to 37 CFR 1.33(b). In response on June 21, 2005, the present petition was filed.

The renewed petition is found to comply with the requirements of 37 CFR 1.33(b). Accordingly, the petition under 37 CFR 1.137(b) is **GRANTED**.

Per petitioners' request, a copy of the petition filed February 3, 2005 is enclosed.

The application is being referred to the Office of Initial Patent Examination (OIPE) for review of the drawings provided on February 3, 2005.

Telephone inquiries related to this decision should be directed to the undersigned at (571) 272-3204. Telephone inquiries related to OIPE processing should be directed to their hotline at (703) 308-1202.
